**ARCH 048: Digital Tools for Architecture**

This course explores traditional and contemporary methods of graphic presentations as a means of communication in architectural design. The course emphasizes a variety of presentation techniques including color renderings, delineation of elevation, section, plan views and articulation of image and transfer methodologies. Media include computer-generated images, vellum based renderings, and architectural model building. Emphasis is also placed on the preparation of a student portfolio and presentation skills in preparation for student interviews upon entering the profession.

Pass/No Pass, Letter Grade
